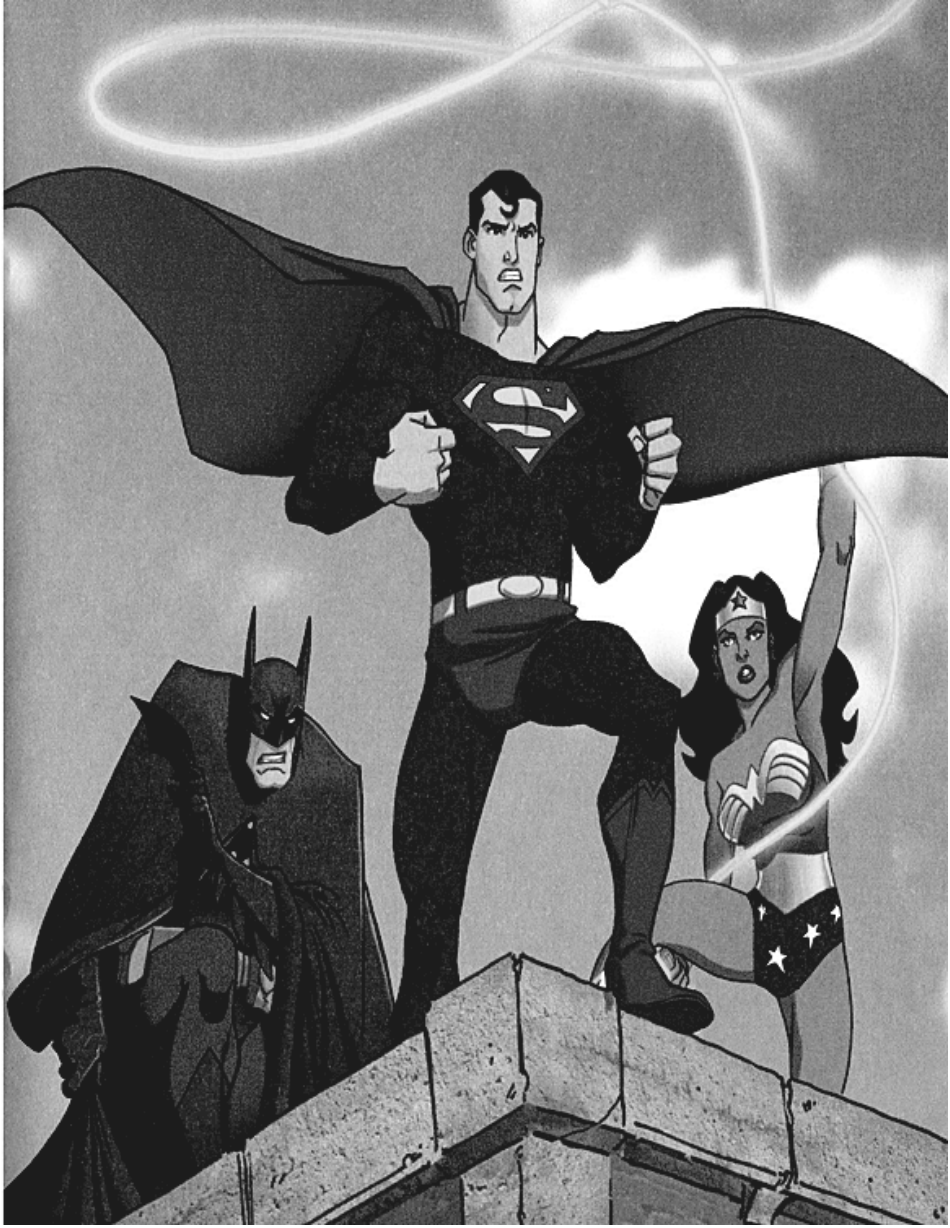
It's Superman's job to stop the bad guys.
But sometimes, he needs a little help.

Batman and Wonder Woman have skills that help Superman when he's in trouble.



Batman's tools help spot danger.
He hops into the Batmobile
and zooms off wherever he is
needed.

Wonder Woman has bracelets that block against even the hottest laser shots.

If one of them is in trouble,
the friends will drop everything
to toss the bad guys out of town.

When these friends work together,

there is no problem they can't solve.
